

REINE MARIO L. JAVAL

PROFESSIONAL SUMMARY

As a BSIT student at Ateneo de Naga University, I am passionate about utilizing technology to create intuitive user experiences through UI/UX design. With a keen eye for design aesthetics and functionality, I have developed expertise in front-end development using HTML, CSS, and JavaScript. Additionally, my interest in critical thinking and attention to detail has drawn me towards software testing, where I enjoy analyzing systems and identifying areas for improvement. I am also proficient in using Tailwind CSS and Vue.js to create dynamic and responsive user interfaces. With a commitment to delivering high-quality work, I am excited to explore opportunities that will allow me to apply my skills in both UI/UX design and software testing.

EDUCATION HISTORY

2019-PRESENT (COLLEGE)

Ateneo de Naga University
Bachelor of Science in Information Technology

PROJECT

EDGAGEMENT: GAMIFYING TEACHERS ENGAGEMENT IN THE WORKPLACE

2022 | Ateneo de Naga University

- Designed the user interface using Figma
- Created the front-end of the system
- Conducted system testing to ensure its functionality

JOBL USERSTAT: IMPLEMENTATION OF RFID LOGIN SYSTEM

2023 | Ateneo de Naga University Library

- Utilized Figma to design the user interface
- Developed the front-end of the system
- Conducted comprehensive system testing to ensure optimal functionality.

PICIDENTIFY: A FUN AND DYNAMIC SYSTEM THAT HONES STUDENTS' VISUAL RECOGNITION SKILLS BY CHALLENGING THEM TO GUESS WHAT'S IN THE IMAGE.

2023 | Ateneo de Naga University Library

- Designed the user interface using Figma
- Developed the front-end of the system
- Conducted thorough system testing to ensure optimal functionality.

EXPERITISE

- Front-end web development
- System testing
- HTML
- CSS
- JavaScript
- Tailwind CSS
- Vue.js
- Bootstrap

WORK EXPERIENCES

INTERNSHIP - ATENEO DE NAGA LIBRARY

January(2023)-May(2023) | Ateneo de Naga University

- During my internship at the Ateneo de Naga Library from January to May 2023, I worked on various web development and testing tasks.
- One of my primary responsibilities was to make the frontend of the library's web system responsive to different devices and screen sizes.
- Through this task, I gained practical experience in using HTML, CSS, and JavaScript to create a user-friendly and accessible web interface.
- Another important task was testing the library's web system to ensure its functionality and user experience met the standards.

INTERNSHIP SUTHERLAND GLOBAL SERVICES

2016-2018 | AMA Computer Learning Center

- Internship at Sutherland Global Services from 2016 to 2018 provided valuable experience in customer service and support.
- Worked with a team of experienced professionals to learn effective communication with customers, addressing their concerns, and providing prompt solutions to their problems.

CERTIFICATES AND TRAINING

CYBERSECURITY ESSENTIALS, CISCO NETWORK ACADEMY

June 2022 | Ateneo de Naga University

FRONT END DEVELOPMENT - HTML

April 24, 2023 | Great Learning Academy

FRONT END DEVELOPMENT - CSS

April 24, 2023 | Great Learning Academy

UI AND UX FOR BEGINNERS
